

2022 KSHSAA STATE BASKETBALL TOURNAMENT

SPORTSMANSHIP AWARDS

The Kansas State High School Activities Association, through its member schools, defines sportsmanship as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, an awareness is expected of the impact of an individual's influence on the behavior of others.

The excitement of a basketball game can create concerns for fans, students and officials. Citizenship/Sportsmanship Rule 52 addresses this by stating: **"Win with character and lose with dignity."**

Outstanding sportsmanship is acknowledged each year by presenting sportsmanship certificates, plaques and medals. All 112 high school teams participating in KSHSAA State Basketball Tournaments may qualify for an award. A "rating" system is used allowing schools to compete against a "standard of excellence", rather than competing against one another.

A special sportsmanship committee appointed by the KSHSAA evaluated and rated the cheerleaders, school cheering section, adult and non-high school followers, team and coach of each school. The following schools qualified for **sportsmanship awards** at the KSHSAA State Basketball Tournaments:
